ACKNOWLEDGMENTS

It is a great pleasure to express our sincere gratitude to those who have contributed to my learning, through support, encouragement and guidance.

We sincerely thank the **Director, Er. Sanjeev Agrawal** of “**Sage University Indore**” for providing me the necessary facilities for the completion of the project.

With great pleasure we place on record my deep gratitude to the **Project-In charge, Mrs. Sadhna Pandey Ma’am**, for providing all the facilities for the completion of the project.

We are grateful for the co-operation and valuable suggestions rendered by my guide Dr. Hare Ram Sah, for his sincere assistance, valuable guidance and careful reviews, without which our effort would have been in vain. Thanks for the inspiration given to us in my task by his kind appreciation and suggestion through our project.

We also express our gratitude to all the faculty members of the Department of Computer Science.

Finally, we thank my parents, friends and colleagues who have always been a great inspiration to the success of my project.

Abhishek Chaurasia
Ayush Patil
Vanshika Jain

ABSTRACT

Time Table generator is for remove the clashing of the teachers' lecture and to manage information of the students. It contains an admin side from where a user can manage all the timetables and records easily.

When making timetable of exams and lecture, it is so difficult to manage all the lectures and subjects without clashing, and the process of making this is time taken.

Time table generator makes a proper timetable without any clashing in very less time. User can also manage teachers, course/year/section, subjects, room, class, and exam schedule. The users can also view class archive records.
